

Due to the overwhelming attendance at the town hall meetings Congressman DeFazio is holding throughout the district this August, he has scheduled a Telephone Town Hall for **the evening of Thursday September 3rd** in order to hear from as many of his constituents as possible.

If you want to join the Telephone Town Hall, [send an email requesting to be added to our call list](#) and BE SURE TO INCLUDE YOUR PHONE NUMBER so we can call you. The call will be free.
Please sign up by 5:00 PM on Monday, August 31st to be on the call list.

What is a Telephone Town Hall? A Telephone Town Hall is like an in-person Town Hall but more people can participate at the same time from the comfort of their own home or any location where you have access to a telephone or cell phone.

You will hear directly from Congressman DeFazio and have the opportunity to personally ask him questions. Because of the number of people participating, Congressman DeFazio won't be able to take everyone's questions but he will answer as many as possible and address a wide range of topics about health care reform. We will also give you the opportunity to leave a voice mail with your concerns for the congressman. We need your phone number to make the connection for the Telephone Town Hall. The call is free and you can stay on the line or listen with a speaker phone to Congressman DeFazio and others participating in the Telephone Town Hall for as long as you like. We hope you will join us.
